Our goal is to always strive to exceed our customer's expectations.

We are certain that once we have completed *your* project, you will agree with the sentiments expressed below.

I thought the grass looked great! Clay, our general super, said that he is very satisfied as well! It was nice doing business with you.

Sincerely,

I wanted to send you a quick note to let you know how pleased we are with your product at both The Ivy and the Marriott South Beach.

The grass at both locations continues to surprise and amaze our residents and guests. The usual comment is that everyone wants to replace their yard with it.

You and your team were a pleasure to deal with. You delivered what you promised when you promised it and worked under some tough timelines and conditions, particularly at our Marriott South Beach site.

Once again thank you and I look forward to our next project together.

All the best!

Greg Cook, Vice President of Hotels
Key International

We have many very happy elementary kids who are really enjoying our new playground! Again, thanks for doing a great job. Thank you!
